ANNUAL REPORT  
ON THE  
WORKING  
OF THE  
**MAYO COLLEGE,**  
**AJMER,**  
FOR  
**1942-43.**

---

# Report on the Working of the Mayo College, Ajmer, for the year 1942-43.

1. Management:—During the year the offices of President and Vice-President of the General Council have been held by His Highness the Maharaj Rana of Dholpur and His Highness the Maharao of Kotah respectively. At a meeting of the General Council held in November 1942, His Highness the Maharaj Rana of Dholpur was unanimously re-elected President of the General Council for the ensuing year with effect from 26th August 1943 : His Highness the Maharawal of Dungarpur was unanimously elected Vice-President of the General Council.

The following Ruling Princes of Rajputana were elected to the Working Committee in accordance with the constitution for 3 years with effect from August 26th, 1943 :—

His Highness the Maharao of Kotah.

His Highness the Maharaj Rana of Dholpur.

His Highness the Maharawal of Dungarpur.

His Highness the Maharawat of Partabgarh.

The Maharana of Danta.

Raja Kalyan Singh of Bhinal and K. Gajendra Singh of Kunadi were elected as re-presentatives of the Old Boys Association on the Working Committee with effect from August 26th, 1943.

During the year Mr. C. G. Herbert, C.I.E., I.C.S., Political Agent at Jaipur, on transfer vacated his seat on the General Council and Working Committee and his place was filled up by his successor, Major H. M. Poulton, C.I.E.

On the retirement of Mr. V. A. S. Stow, M.A., C.I.E., Raj Chandra Sen of Kunadi, Kotah, was elected as Secretary of the General Council and Working Committee for one year with effect from the 25th January 1943.

In addition to the meeting held in November 1942, the General Council also met in April 1943, and the Working Committees met twice, in November 1942 and March 1943.

2. (a) Finance:—During the year under report owing to withdrawal of the Government grant-in-aid there was a loss of income amounting to over Rs. 41,000/- Economies carried out on the recommendation of the Sub-Committee appointed for the purpose have gone a long way towards bridging the gap: expenditure has been cut by over Rs. 31,000/-; land has been sold; and from this and other sources an increase of over Rs. 4,000/- in income is anticipated.

The General Council has appointed a Sub-Committee to make recommendations for the revision of the College fees on a more equitable basis and with a view to improving the financial position of the College.

(b) Sale of land:—A plot of land opposite to the old College temple, measuring 13 Bighas and 10 Biswas was sold for Rs. 84,800. Another plot, adjacent to the Nala North of the Alwar Gate, measuring 9 Bighas and 4 Biswas was sold for Rs. 49,000.

3. The College War Fund:—Regular monthly subscriptions to the College War Fund continue to be made by members of the Staff. A special Torchlight Tattoo

Display was given by the College Squadron at the time of the Annual Prize-Giving; this, besides yielding about Rs. 400/- for the War Fund was much appreciated by the Old Boys and other guests assembled for the occasion. X'mas cards and Calendars were again this year specially painted by the boys and Mr. Gue, the Arts Master, and sold. The latter's paintings were also raffled for the fund which benefitted by these means to the extent of about Rs. 600/-. The fund at the end of the year stands with a cash balance of about Rs. 3,000/- and it should be possible very shortly to send to the Viceroy's War Purposes Fund the money for the purchase of a fourth Mayo College Ambulance.

**4. Staff Houses:**—The new Staff Houses, under construction in the previous year, and six of them occupied, were finally completed during the Winter term.

**5. The Stow Co-operative, Thrift and Credit Society, Limited, Mayo College.**

To counteract the difficulties, particularly those of the inferior staff and servants employed in the College, occasioned by the scarcity of grain, the Society undertook the work of arranging for supplies and of selling it to those connected with the College. To help the Society in this laudable object the College advanced a sum of Rs. 5,000/- (as fixed deposit) to the Society.

#### **6. General Administration.**

**Health.**—The general health of the College continued good throughout the year. There were two cases of chicken pox and three of measles; prompt measures were taken and fortunately neither disease became epidemic.

**School Section:**—The new Boarding Houses accommodating nearly fifty boys or well over a third of the boys in the School Section, have progressed well during the year; the economy in running possible by boys paying an inclusive fee on an equal basis has been shown during a year in which rising prices have caused considerable difficulties and anxieties in other Boarding Houses run on the old system.

The new arrangement also brings out still more clearly the value of separating Senior boys and Junior boys; young boys in the Junior House are developing much more naturally and healthily where there are no senior boys to disparage and overawe. Further steps in all departments of the School to keep the youthful and more mature apart are both desirable and in contemplation.

**College Section:**—The College Section had its Periodical inspection by the Agra University in February 1943; the Inspectors were Captain L. P. Mathur D. Sc., of St. John's College Agra and Major-General H. C. Buckley, M.D., I.M.S., Principal of the Agra Medical College.

**Vegetable Garden:**—In July a College Vegetable Garden was started in the area behind Twiss House as part of the "Grow more Food" campaign and to provide fresh vegetables at cheap rates to boys. Difficulties in obtaining seed were met with, but the garden paid its way in its initial year, and it should be possible to develop it in future years.

**Dairy:**—Schemes for a College Dairy having of necessity fallen through in War time, it has nevertheless been possible to start a supply of fresh milk to Boarding Houses by providing a Contractor with space in the College Stables to keep cattle, without at the same time involving the college in any financial liabilities. So far four Boarding Houses are being supplied with pure fresh milk subject to College supervision, and it will be possible to extend the supply to more Houses during the coming year. Besides fulfilling a long felt want here, the experience gained will be useful when we have a Dairy of our own.

**Supply:**—As already mentioned in another connection, the year has not been without its anxieties with regard to supplies of food, but it has concluded without any scarcity or hardship. We are particularly grateful to Their Highnesses of Dungarpur and Partabgarh for allowing us to obtain wheat from their States.

7. Staff:—There was no change in the staff of the College Section during the year. In the School Section Mr. N. P. Mathur and Mr. S. N. Sang left at the end of the Summer term, the former on the expiry of his contract, and the latter to take over the appointment of Head of the Mathematics Faculty at the Aitchison College, Lahore. Owing to financial stringency the posts of the temporary masters were abolished, and their work was distributed among the permanent members of the staff. Dr. S. Yaduvanshi left in October 1942, on the amalgamation of the posts of Sanskrit teacher and Religious instructor.

8. Scouting:—There are now three Groups (23rd, 24th, and the 25th Ajmer) with a total strength of 129 including all ranks.

A Rovers Crew was started in the College Section in the Monsoon Term and was joined by the majority of the students; it is run by two members of the College Section Staff. A camp was held at Saradhna in the Winter Term.

The Rovers and Wolf Cubs have now completed the 'Two Star Course', and the Scouts have received instructions up to the 'Second Class' course. Two three-day camps were held with great success during the year. Inter-patrol and Inter-Six Competitions were held in March last for the first time. The Scouts trophy was won by the Hawks Patrol, and the Cub Trophy by the Browns. The College Scout Groups took a prominent part in all the Association functions and gave an excellent account of themselves in all Rallies, A. R. P. Demonstrations and Camp-Fires. The Wolf Cubs were the Runners Up in the Towers Trophy Competitions.

For the convenience of Scouts a Scouts' Shop on a small scale was started in January last in the Senior Boarding House under the charge of the Quarter Master. Necessary Scout badges and outfit are stocked in this shop for sale.

9. The College Roll:—At the end of the previous year the roll stood at 160. During the year under report admissions totalled 29 and withdrawals 25, and the roll therefore at the end of the year stood at 154. This slight decrease was due to the fact that for various special reasons withdrawals were larger than usual, admissions being about normal. The latter included 22 boys from Rajputana and 7 from other areas. Details of admissions and the distribution of the College roll will be found in appendices B. & C.

10. Examinations:—The following are the results obtained by the College in outside examinations in 1942 and 1943.

		1942.	1943.		
		No. of candidates presented.	No. of Number passed.	No. of candidates presented.	No. of Number passed.
1.	Chiefs' Colleges Diploma Examination	... 16	14	16	12
2.	Intermediate Examination of the Board of High School and Intermediate Education, Rajputana Central India and Gwalior	... 4	4	5	4
3.	B. A. (Agra University)	... 7	6	4	2

In 1942, in the Diploma Examination two Mayo College candidates obtained First classes, and in the B. A. two obtained Second classes. In 1943, two candidates obtained second classes in the Diploma Examination and two in the Intermediate Examination of the Board of Education for Rajputana and Central India. The last Diploma Examination conducted by the Educational Adviser to the Government of India took place in April 1943, and boys are now being prepared for the Cambridge School Certificate Examination to be held in December 1944. The Syndicate for Cambridge Local Examinations has approved of the Syllabus proposed for the subject "Indian Administration and Agriculture."

#### 11. Physical Training and Games.

Riding:—Maharaj Hanwant Singh of Jodhpur to whom our thanks are due, has again been good enough to take over charge of Riding. During his absence, owing to illness, in the Summer term, excellent work was put in by the Squadron Commander Maharaj

Kumar Himmat Singh of Jodhpur, the Polo Captain Kanwar Kishen Singh of Jodhpur and the other officers of the squadron.

During the Prize-Giving the squadron, as already mentioned, gave a Torchlight Tattoo display. This, the first display of its kind since the inception of the College, was a great success and special congratulations are due to Maharaj Hanwant Singh and the Squadron Commander.

Polo was played throughout the year with the usual enthusiasm. It is regretted that no tournament could be held chiefly on account of the war.

**Games:**—Gymnastics are now an important part of P. T. in the School and at the Inter House and Individual Competitions held at the end of the Summer term there was an evidence of the big improvement that has been effected during the year. Great credit is due to Havildar Arjan Singh; also to the Senior P. T. Instructor R. K. Raghunath Singh of Jodhpur. Football was played as usual during the Monsoon term and the College team took a prominent part in the Stow Cup and Stow League matches.

**Kishengarh Shield:**—The annual fixture with the Daly College was abandoned this year owing to the War.

Enthusiasm for Cricket was maintained and the School XI played several successful matches. During the Season the School XI competed for the Dungarpur Shield and won it by defeating the Government College and the Government High School.

The College XI played in the Colvin Shield Tournament, and was beaten in the final match.

In the School Section Hockey showed a marked advance and the team acquitted itself well in several matches.

**Swimming:**—The shortage of water consequent on the poor Monsoons of recent years had forced swimming into temporary eclipse, but with better rains this year, it is hoped to resume it with no less success than attended it in the past.

**12. Honours:**—The following honours were gained during the year by Old Boys and others connected with the College:—

**K. C. S. I.** His Highness the Maharajah of Alwar.

**Knighthood.** Maharaj Shri Ajit Singhji of Jodhpur.

**M. B. E.** Rao Manohar Singh of Bhopal Nagar, Udaipur,

Major Thakur Zabar Singh of Bera, Jodhpur State Forces.

**Kaisér-i-Hind Medal.** Mrs. M. E. Stow.

**Rai Sahib.** Munshi Nand Kishore, Office Superintendent, Mayo College

**13. Obituary:**—I deeply regret to announce the death of the following:—

1. His Highness the Maharajadhiraja Sir Ganga Singh Bahadur, G.C.S.I., G.C.I.E., G.C.V.O., K.C.B., A.D.C., Maharaja of Bikaner ... ... ... ... ...
2. Mr. L. Tipping, who was on the College Staff from ... 1903—1904
3. Thakur Sultan Singh of Palwa, Alwar ... ... 1908—1921
4. Mr. S. V. Gulvadi, Motamid, Jodhpur House ... ... 1933—1940
5. Rawat Bijai Singh of Deogarh (Mewar) ... ... 1905—1913

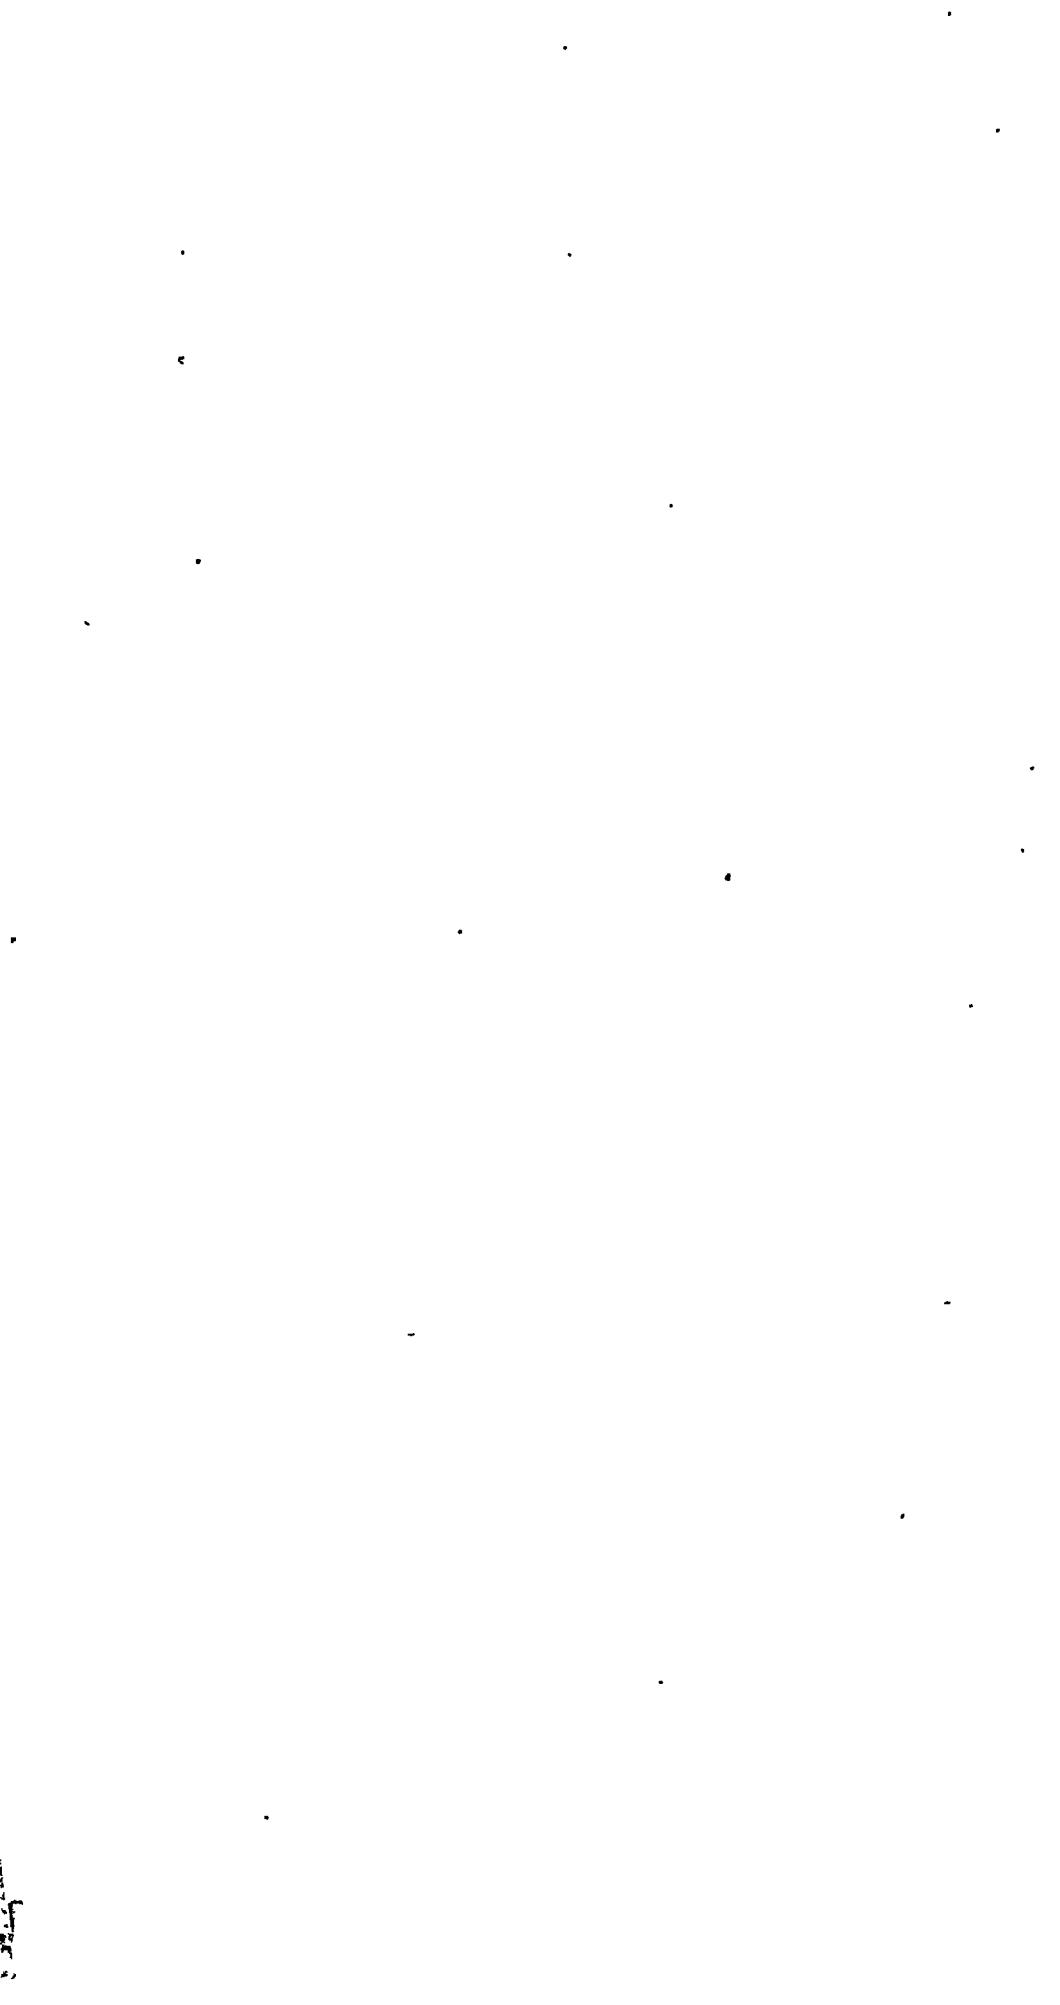

14. Mr. V. A. S. Stow, M.A., I.E.S., C.I.E:—A Committee under the Chairmanship of Rao Bahadur Thakur Onkar Singh of Bagsuri was formed in August to collect funds for a suitable leaving present to be given to Mr. Stow on his retirement after being Principal of the College since 1931. At the Prize-Giving in November Mr. Stow was presented with a silver casket and an Album of photographs of the College, while his portrait was hung and unveiled in the College Hall. It is also intended to collect enough money to put up some building to be named after him; various suggestions have been put forward such as a Guest House, a Boarding House block, and a Dispensary, but the final choice will have to be left until the funds available are known and better times prevail.

The fund at present stands at Rs. 7,337/- but many more donations are expected.

I took over charge from Mr. Stow on the 25th January 1943; the greater part of the year under review was therefore passed under his Principalship. It is impossible within the confines of this Report, intentionally cut short in the interests of paper economy, to do justice to his wise guidance of the College during the past twelve years and the multifold improvements brought about in that time. The great gathering at the Prize-giving in November bore abundant witness to the awareness of the debt which all connected with the College owe to him, and, to quote from the address presented to him on that occasion, "the College, it is certain, will bear the impress of his mark for generations."

M. A. Mc CANLIS,

*Principal, Mayo College.*

# Report on the Working of the Mayo College, Ajmer, for the year 1942-43.

1. **Management:**—During the year the offices of President and Vice-President of the General Council have been held by His Highness the Maharaj Rana of Dholpur and His Highness the Maharao of Kotah respectively. At a meeting of the General Council held in November 1942, His Highness the Maharaj Rana of Dholpur was unanimously re-elected President of the General Council for the ensuing year with effect from 26th August 1943 : His Highness the Maharawal of Dungarpur was unanimously elected Vice-President of the General Council.

The following Ruling Princes of Rajputana were elected to the Working Committee in accordance with the constitution for 3 years with effect from August 26th, 1943 :—

His Highness the Maharao of Kotah.

His Highness the Maharaj Rana of Dholpur.

His Highness the Maharawal of Dungarpur.

His Highness the Maharawat of Partabgarh.

The Maharana of Danta.

Raja Kalyan Singh of Bhinai and K. Gajeudra Singh of Kunadi were elected as representatives of the Old Boys Association on the Working Committee with effect from August 26th, 1943.

During the year Mr. C. G. Herbert, C.I.E., I.C.S., Political Agent at Jaipur, on transfer vacated his seat on the General Council and Working Committee and his place was filled up by his successor, Major H. M. Poulton, C.I.E.

On the retirement of Mr. V. A. S. Stow, M.A., C.I.E., Raj Chandra Sen of Kunadi, Kotah, was elected as Secretary of the General Council and Working Committee for one year with effect from the 25th January 1943.

In addition to the meeting held in November 1942, the General Council also met in April 1943, and the Working Committee met twice, in November 1942 and March 1943.

2. (a) **Finance:**—During the year under report owing to withdrawal of the Government grant-in-aid there was a loss of income amounting to over Rs. 41,000/- . Economies carried out on the recommendation of the Sub-Committee appointed for the purpose have gone a long way towards bridging the gap: expenditure has been cut by over Rs. 31,000/-; land has been sold; and from this and other sources an increase of over Rs. 4,000/- in income is anticipated.

The General Council has appointed a Sub-Committee to make recommendations for the revision of the College fees on a more equitable basis and with a view to improving the financial position of the College.

(b) **Sale of land:**—A plot of land opposite to the old College temple, measuring 13 Bighas and 10 Biswas was sold for Rs. 84,800. Another plot, adjacent to the Nala North of the Alwar Gate, measuring 9 Bighas and 4 Biswas was sold for Rs. 49,000.

3. **The College War Fund:**—Regular monthly subscriptions to the College War Fund continue to be made by members of the Staff. A special Torchlight Tattoo

Display was given by the College Squadron at the time of the Annual Prize-Giving; this, besides yielding about Rs. 400/- for the War Fund was much appreciated by the Old Boys and other guests assembled for the occasion. X'mas cards and Calendars were again this year specially painted by the boys and Mr. Gne, the Arts Master, and sold. The latter's paintings were also raffled for the fund which benefitted by these means to the extent of about Rs. 600/-. The fund at the end of the year stands with a cash balance of about Rs. 3,000/- and it should be possible very shortly to send to the Viceroy's War Purposes Fund the money for the purchase of a fourth Mayo College Ambulance.

**4. Staff Houses:**—The new Staff Houses, under construction in the previous year, and six of them occupied, were finally completed during the Winter term.

**5. The Stow Co-operative, Thrift and Credit Society, Limited, Mayo College.**

To counteract the difficulties, particularly those of the inferior staff and servants employed in the College, occasioned by the scarcity of grain, the Society undertook the work of arranging for supplies and of selling it to those connected with the College. To help the Society in this laudable object the College advanced a sum of Rs. 5,000/- (as fixed deposit) to the Society.

#### **6. General Administration.**

**Health:**—The general health of the College continued good throughout the year. There were two cases of chicken pox and three of measles; prompt measures were taken and fortunately neither disease became epidemic.

**School Section:**—The new Boarding Houses accommodating nearly fifty boys or well over a third of the boys in the School Section, have progressed well during the year; the economy in running possible by boys paying an inclusive fee on an equal basis has been shown during a year in which rising prices have caused considerable difficulties and anxieties in other Boarding Houses run on the old system.

The new arrangement also brings out still more clearly the value of separating Senior boys and Junior boys; young boys in the Junior House are developing much more naturally and healthily where there are no senior boys to disparage and overawe. Further steps in all departments of the School to keep the youthful and more mature apart are both desirable and in contemplation.

**College Section:**—The College Section had its Periodical inspection by the Agra University in February 1943; the Inspectors were Captain L. P. Mathur D. Sc., of St. John's College Agra and Major-General H. C. Buckley, M.D., I.M.S., Principal of the Agra Medical College.

**Vegetable Garden:**—In July a College Vegetable Garden was started in the area behind Twiss House as part of the "Grow more Food" campaign and to provide fresh vegetables at cheap rates to boys. Difficulties in obtaining seed were met with, but the garden paid its way in its initial year, and it should be possible to develop it in future years.

**Dairy:**—Schemes for a College Dairy having of necessity fallen through in War time, it has nevertheless been possible to start a supply of fresh milk to Boarding Houses by providing a Contractor with space in the College Stables to keep cattle, without at the same time involving the college in any financial liabilities. So far four Boarding Houses are being supplied with pure fresh milk subject to College supervision, and it will be possible to extend the supply to more Houses during the coming year. Besides fulfilling a long felt want here, the experience gained will be useful when we have a Dairy of our own.

**Supply:**—As already mentioned in another connection, the year has not been without its anxieties with regard to supplies of food, but it has concluded without any scarcity or hardship. We are particularly grateful to Their Highnesses of Dungarpur and Partabgarh for allowing us to obtain wheat from their States.

7. Staff:—There was no change in the staff of the College Section during the year. In the School Section Mr. N. P. Mathur and Mr. S. N. Sang left at the end of the Summer term, the former on the expiry of his contract, and the latter to take over the appointment of Head of the Mathematics Faculty at the Aitchison College, Lahore. Owing to financial stringency the posts of the temporary masters were abolished, and their work was distributed among the permanent members of the staff. Dr. S. Yaduvanshi left in October 1942, on the amalgamation of the posts of Sanskrit teacher and Religious instructor.

8. Scouting:—There are now three Groups (23rd, 24th, and the 25th Ajmer) with a total strength of 129 including all ranks.

A Rovers Crew was started in the College Section in the Monsoon Term and was joined by the majority of the students; it is run by two members of the College Section Staff. A camp was held at Saradhpur in the Winter Term.

The Rovers and Wolf Cubs have now completed the 'Two Star Course', and the Scouts have received instructions up to the 'Second Class' course. Two three-day camps were held with great success during the year. Inter-patrol and Inter-Six Competitions were held in March last for the first time. The Scouts trophy was won by the Hawks Patrol, and the Cub Trophy by the Browns. The College Scout Groups took a prominent part in all the Association functions and gave an excellent account of themselves in all Rallies, A. R. P. Demonstrations and Camp-Fires. The Wolf Cubs were the Runners Up in the Towers Trophy Competitions.

For the convenience of Scouts a Scouts' Shop on a small scale was started in January last in the Senior Boarding House under the charge of the Quarter Master. Necessary Scout badges and out-fit are stocked in this shop for sale.

**9 The College Roll:**—At the end of the previous year the roll stood at 160. During the year under report admissions totalled 29 and withdrawals 25, and the roll therefore at the end of the year stood at 154. This slight decrease was due to the fact that for various special reasons withdrawals were larger than usual, admissions being about normal. The latter included 22 boys from Rajputana and 7 from other areas. Details of admissions and the distribution of the College roll will be found in appendices B. & C.

10. Examinations:—The following are the results obtained by the College in outside examinations in 1942 and 1943. 1942. 1943.

		No. of candidates presented.	Number passed.	No. of candidates presented.	Number passed.
1.	Chiefs' Colleges Diploma Examination	16	14	16	12
2.	Intermediate Examination of the Board of High School and Intermediate Education, Rajputana Central India and Gwalior	4	4	5	4
3.	B. A. (Agra University)	7	6	4	2

In 1942, in the Diploma Examination two Mayo College candidates obtained First classes, and in the B. A. two obtained Second classes. In 1943, two candidates obtained second classes in the Diploma Examination and two in the Intermediate Examination of the Board of Education for Rajputana and Central India. The last Diploma Examination conducted by the Educational Adviser to the Government of India took place in April 1943, and boys are now being prepared for the Cambridge School Certificate Examination to be held in December 1944. The Syndicate for Cambridge Local Examinations has approved of the Syllabus proposed for the subject "Indian Administration and Agriculture."

## 11. Physical Training and Games.

Riding:—Maharaj Manuwant Singh of Jodhpur to whom our thanks are due, has again been good enough to take over charge of Riding. During his absence, owing to illness, in the Summer term, excellent work was put in by the Squadron Commander Maharaj

Kumar Himmat Singh of Jodhpur, the Polo Captain Kanwar Kishen Singh of Jodhpur and the other officers of the squadron.

During the Prize-Giving the squadron, as already mentioned, gave a Torchlight Tattoo display. This, the first display of its kind since the inception of the College, was a great success and special congratulations are due to Maharaj Hanwant Singh and the Squadron Commander.

Polo was played throughout the year with the usual enthusiasm. It is regretted that no tournament could be held chiefly on account of the war.

**Games:**—Gymnastics are now an important part of P. T. in the School and at the Inter House and Individual Competitions held at the end of the Summer term there was an evidence of the big improvement that has been effected during the year. Great credit is due to Havildar Arjan Singh; also to the Senior P. T. Instructor R. K. Raghunath Singh of Jodhpur. Football was played as usual during the Monsoon term and the College team took a prominent part in the Stow Cup and Stow League matches.

**Kishengarh Shield:**—The annual fixture with the Daly College was abandoned this year owing to the War.

Enthusiasm for Cricket was maintained and the School XI played several successful matches. During the Season the School XI competed for the Dungarpur Shield and won it by defeating the Government College and the Government High School.

The College XI played in the Colvin Shield Tournament, and was beaten in the final match.

In the School Section Hockey showed a marked advance and the team acquitted itself well in several matches.

**Swimming:**—The shortage of water consequent on the poor Monsoons of recent years had forced swimming into temporary eclipse, but with better rains this year, it is hoped to resume it with no less success than attended it in the past.

**12. Honours:**—The following honours were gained during the year by Old Boys and others connected with the College:—

**K. C. S. I.** His Highness the Maharajah of Alwar.

**Knighthood.** Maharaj Shri Ajit Singhji of Jodhpur.

**M. B. E.** Rao Manohar Singh of Bhopal Nagar, Udaipur,

Major Thakur Zabar Singh of Bera, Jodhpur State Forces.

**Kaiser-i-Hind Medal.** Mrs. M. E. Stow.

**Rai Sahib.** Munshi Nand Kishore, Office Superintendent, Mayo College

**13. Obituary:**—I deeply regret to announce the death of the following:—

1. His Highness the Maharajadhiraja Sir Ganga Singh Bahadur, G.C.S.I., G.C.I.E., G.C.V.O., K.C.B., A.D.C., Maharaja of Bikaner ... ... ... ... ...
2. Mr. L. Tipping, who was on the College Staff from ... 1903—1904
3. Thakur Sultan Singh of Palwa, Alwar ... ... 1908—1921
4. Mr. S. V. Gulvadi, Motamid, Jodhpur House ... ... 1933—1940
5. Rawat Bijai Singh of Deogarh (Mewar) ... ... 1905—1913

14. Mr. V. A. S. Stow, M.A., I.E.S., C.I.E.—A Committee under the Chairmanship of Rao Bahadur Thakur Onkar Singh of Bagsuri was formed in August to collect funds for a suitable leaving present to be given to Mr. Stow on his retirement after being Principal of the College since 1931. At the Prize-Giving in November Mr. Stow was presented with a silver casket and an Album of photographs of the College, while his portrait was hung and unveiled in the College Hall. It is also intended to collect enough money to put up some building to be named after him; various suggestions have been put forward such as a Guest House, a Boarding House block, and a Dispensary, but the final choice will have to be left until the funds available are known and better times prevail.

The fund at present stands at Rs. 7,337/- but many more donations are expected.

I took over charge from Mr. Stow on the 25th January 1943; the greater part of the year under review was therefore passed under his Principalship. It is impossible within the confines of this Report, intentionally cut short in the interests of paper economy, to do justice to his wise guidance of the College during the past twelve years and the multifold improvements brought about in that time. The great gathering at the Prize-giving in November bore abundant witness to the awareness of the debt which all connected with the College owe to him, and, to quote from the address presented to him on that occasion, "the College, it is certain, will bear the impress of his mark for generations."

M. A. Mc CANLIS,

*Principal, Mayo College.*

## **LIST OF APPENDICES.**

---

**A.—The College Staff.**

**B.—Admissions.**

**C.—Distribution of the College Roll.**

## APPENDIX A.

Staff of the Mayo College on the 30th April 1943.

*Designation.*
